

# News

The **News releases** page gives an overview of the IPSL research findings. It contains in particular all the press releases and the important other news.

IPSL facts and events (exhibitions, open days, cycles of conferences or science "Cafés", thematic days, ...) are grouped under the heading **Events**

Interesting IPSL initiatives or achievements are highlighted in the **Spotlights** page.

Among the news are also **professional seminars, PhD defenses**, as well as **job offers** and **professional training opportunities**.

Finally, to be informed of IPSL news, you can subscribe to **RSS feeds** or to **mailing lists**.
